SUPPLEMENTARY INFORMATION:

Agenda

The Committee will discuss specifications and measures anticipated to be included in Framework Adjustment 65/Specifications and Management Measures which is expected to be initiated at the April 2022 Council meeting. They will discuss a progress report and a Council motion to consider adding to the 2022 Council Priorities, a transition plan for Atlantic cod management from the current two management units to up to five management units. Other business will be discussed, if necessary.

Although non-emergency issues not contained on the agenda may come before this Council for discussion, those issues may not be the subject of formal action during this meeting. Council action will be restricted to those issues specifically listed in this notice and any issues arising after publication of this notice that require emergency action under section 305(c) of the Magnuson-Stevens Act, provided the public has been notified of the Council's intent to take final action to address the emergency. The public also should be aware that the meeting will be recorded. Consistent with 16 U.S.C. 1852, a copy of the recording is available upon request.
